

plasma metabolites – paired before and after FMT

Krebs_derivatives

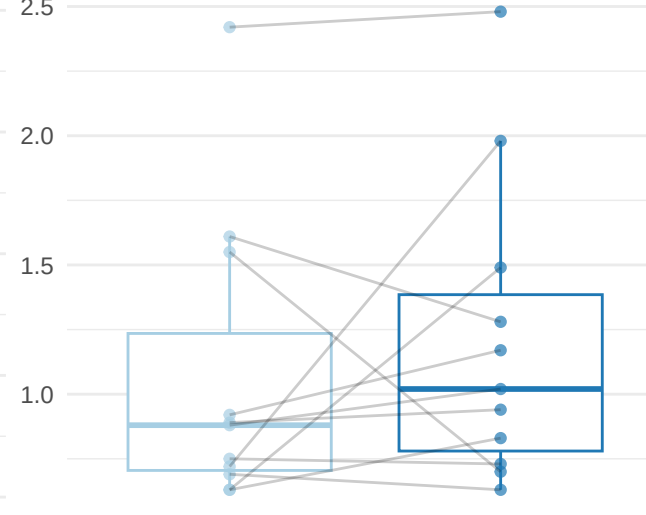

Aconitic Acid

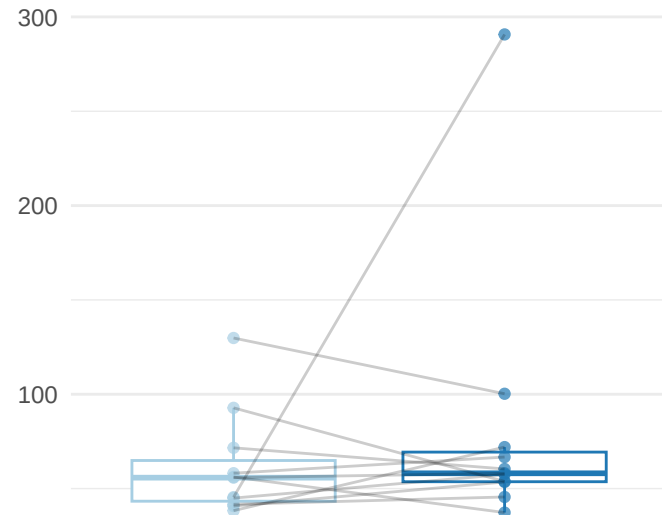

Citric Acid

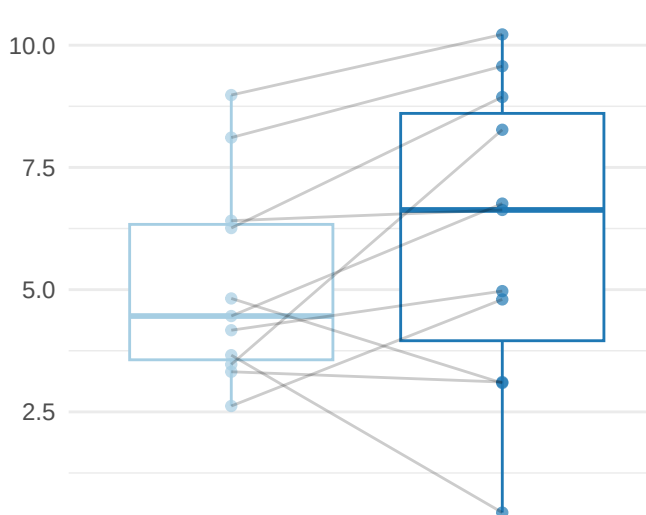

Fumaric Acid

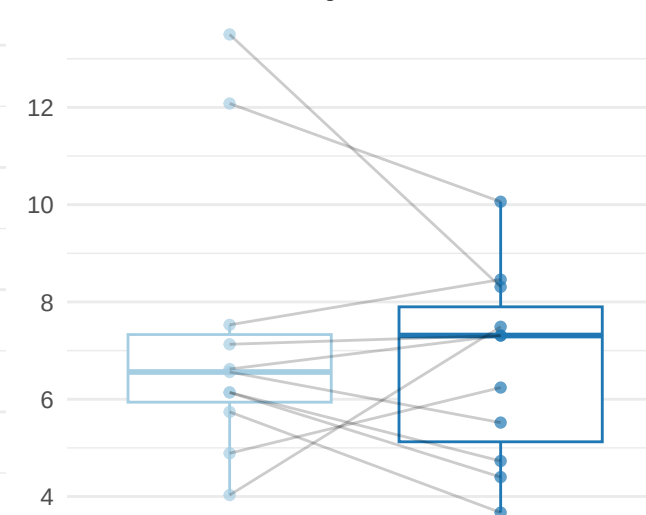

Glucose

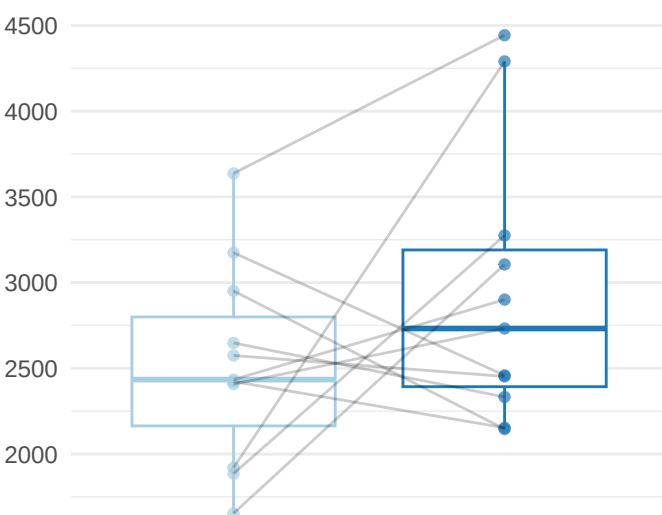

Isocitric Acid

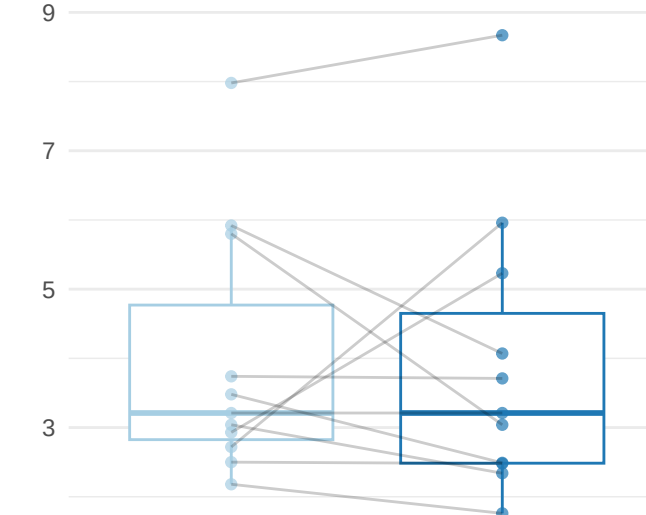

Ketoglutaric Acid

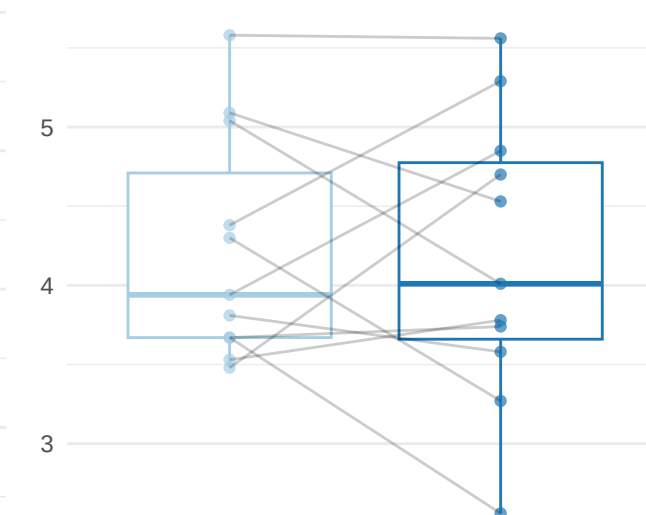

Lactic acid

Malic Acid

Succinic Acid

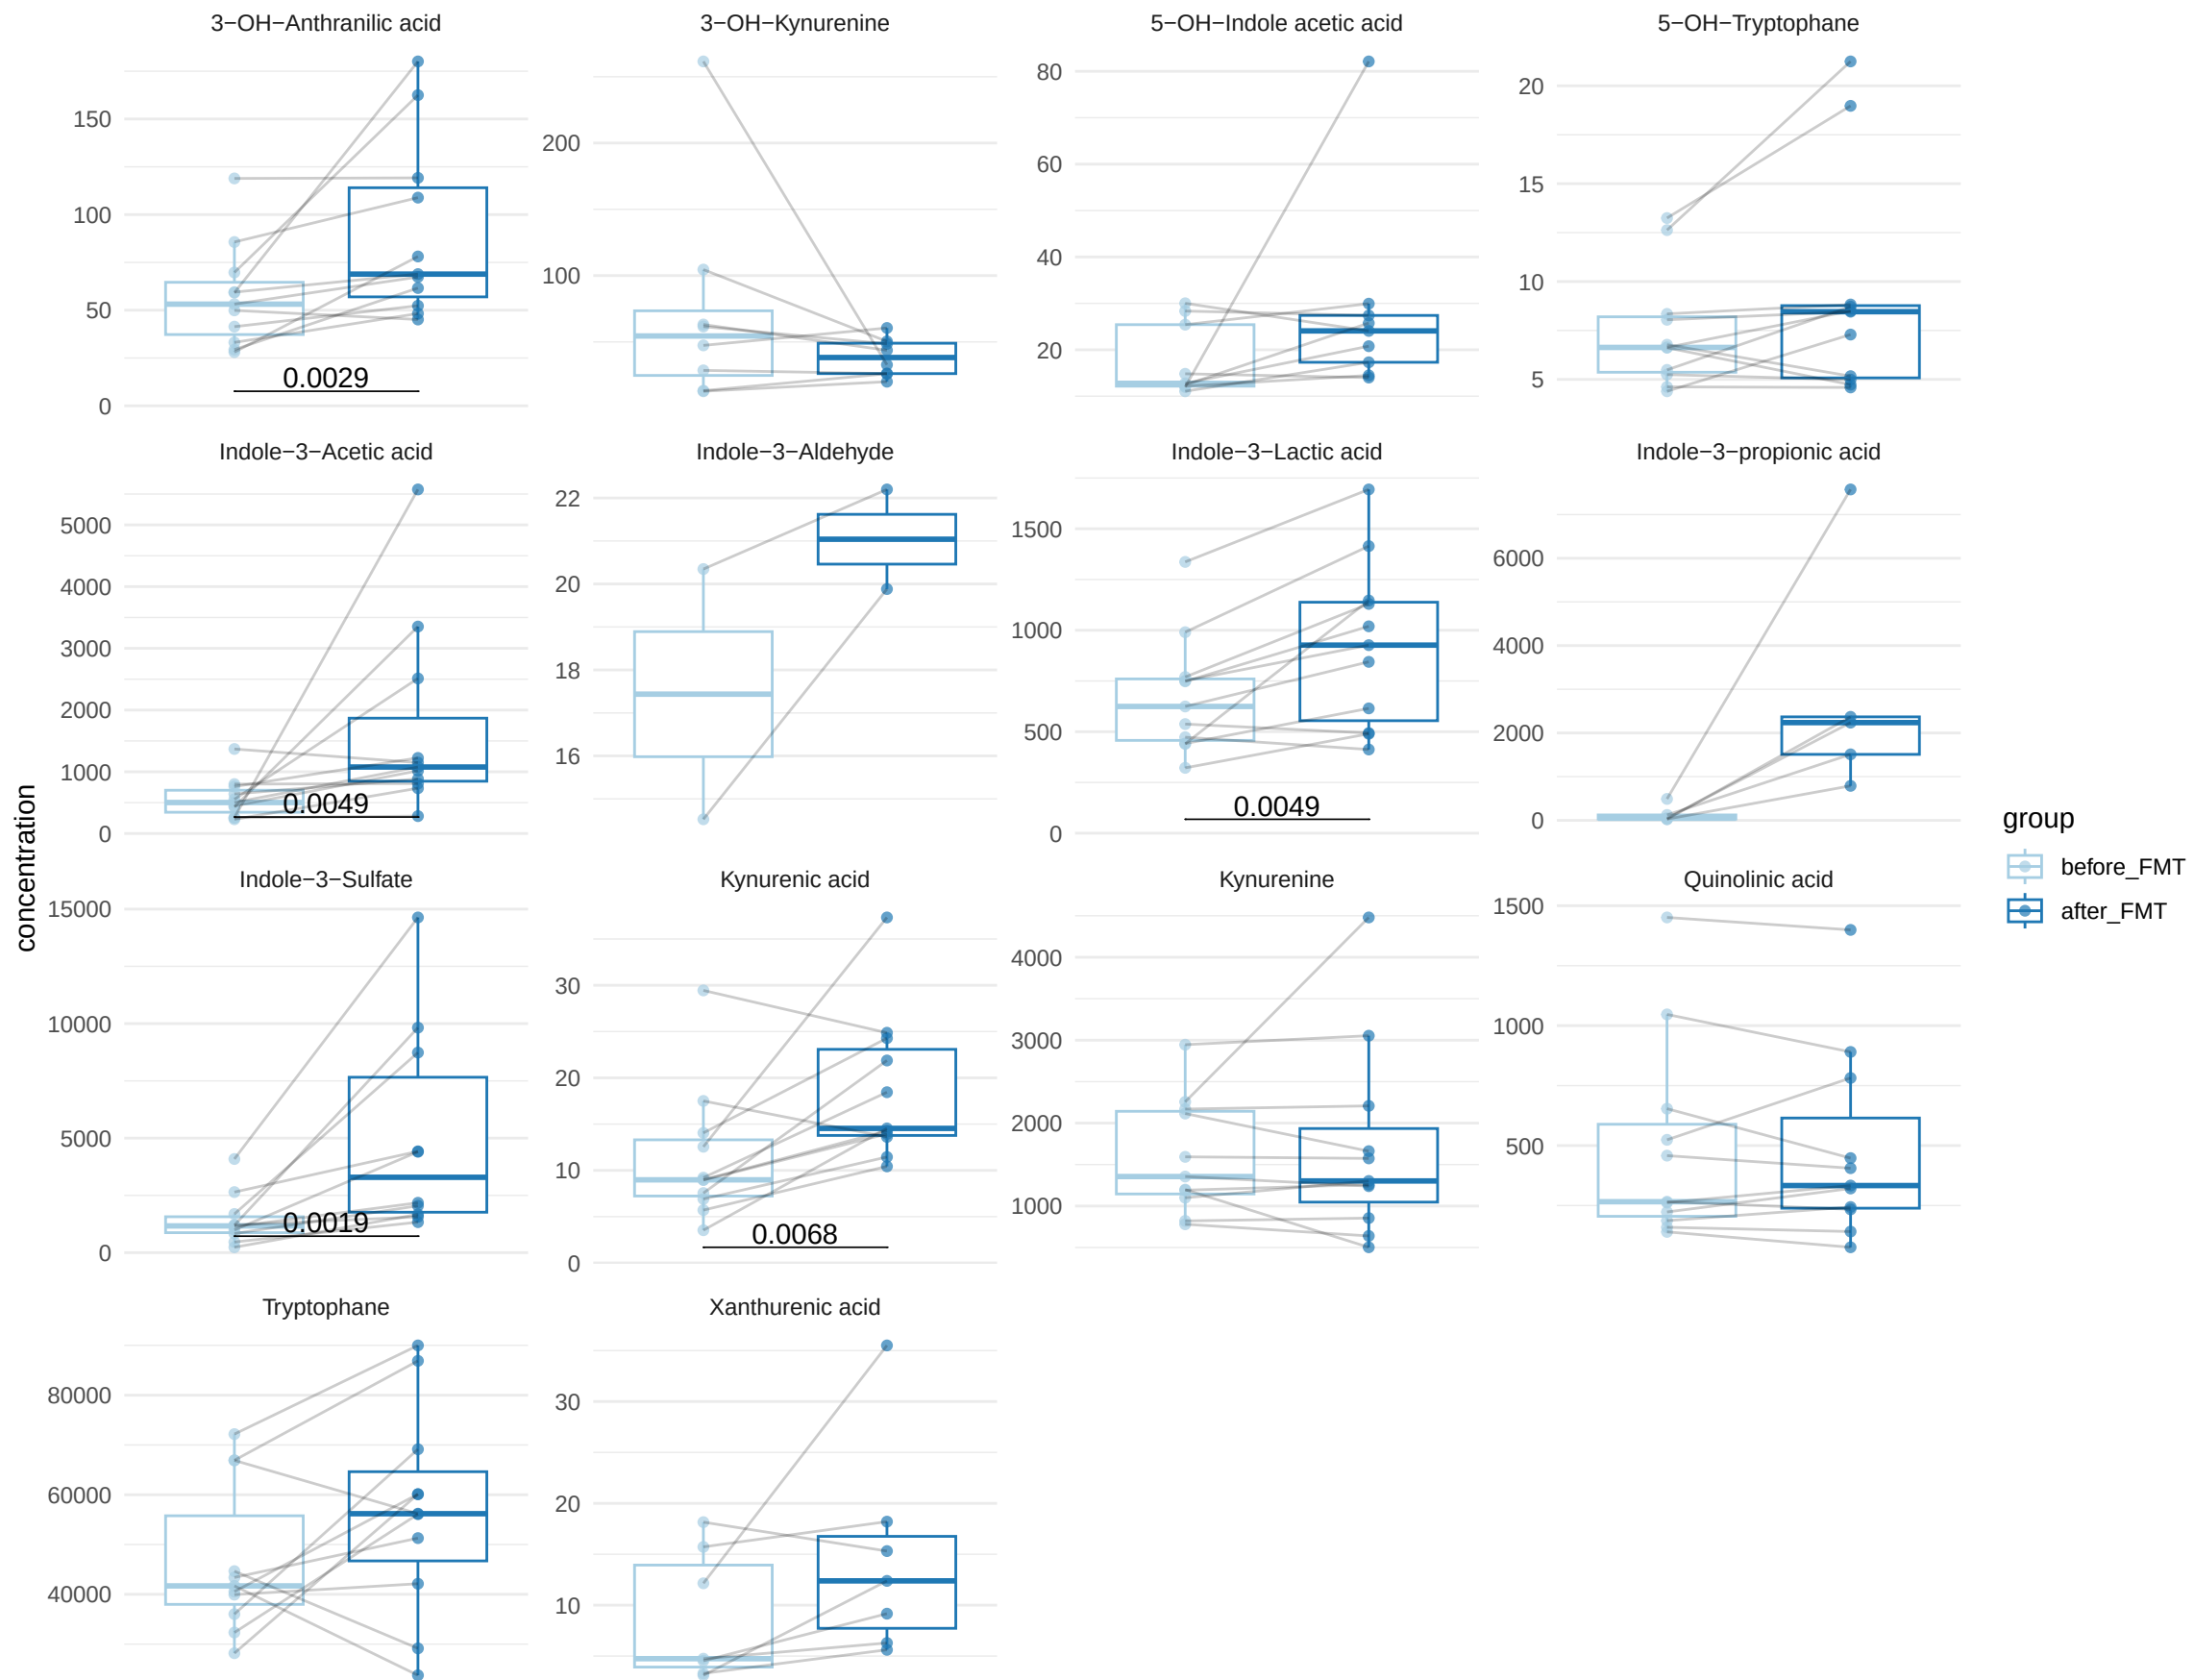

group

before_FMT
after_FMT

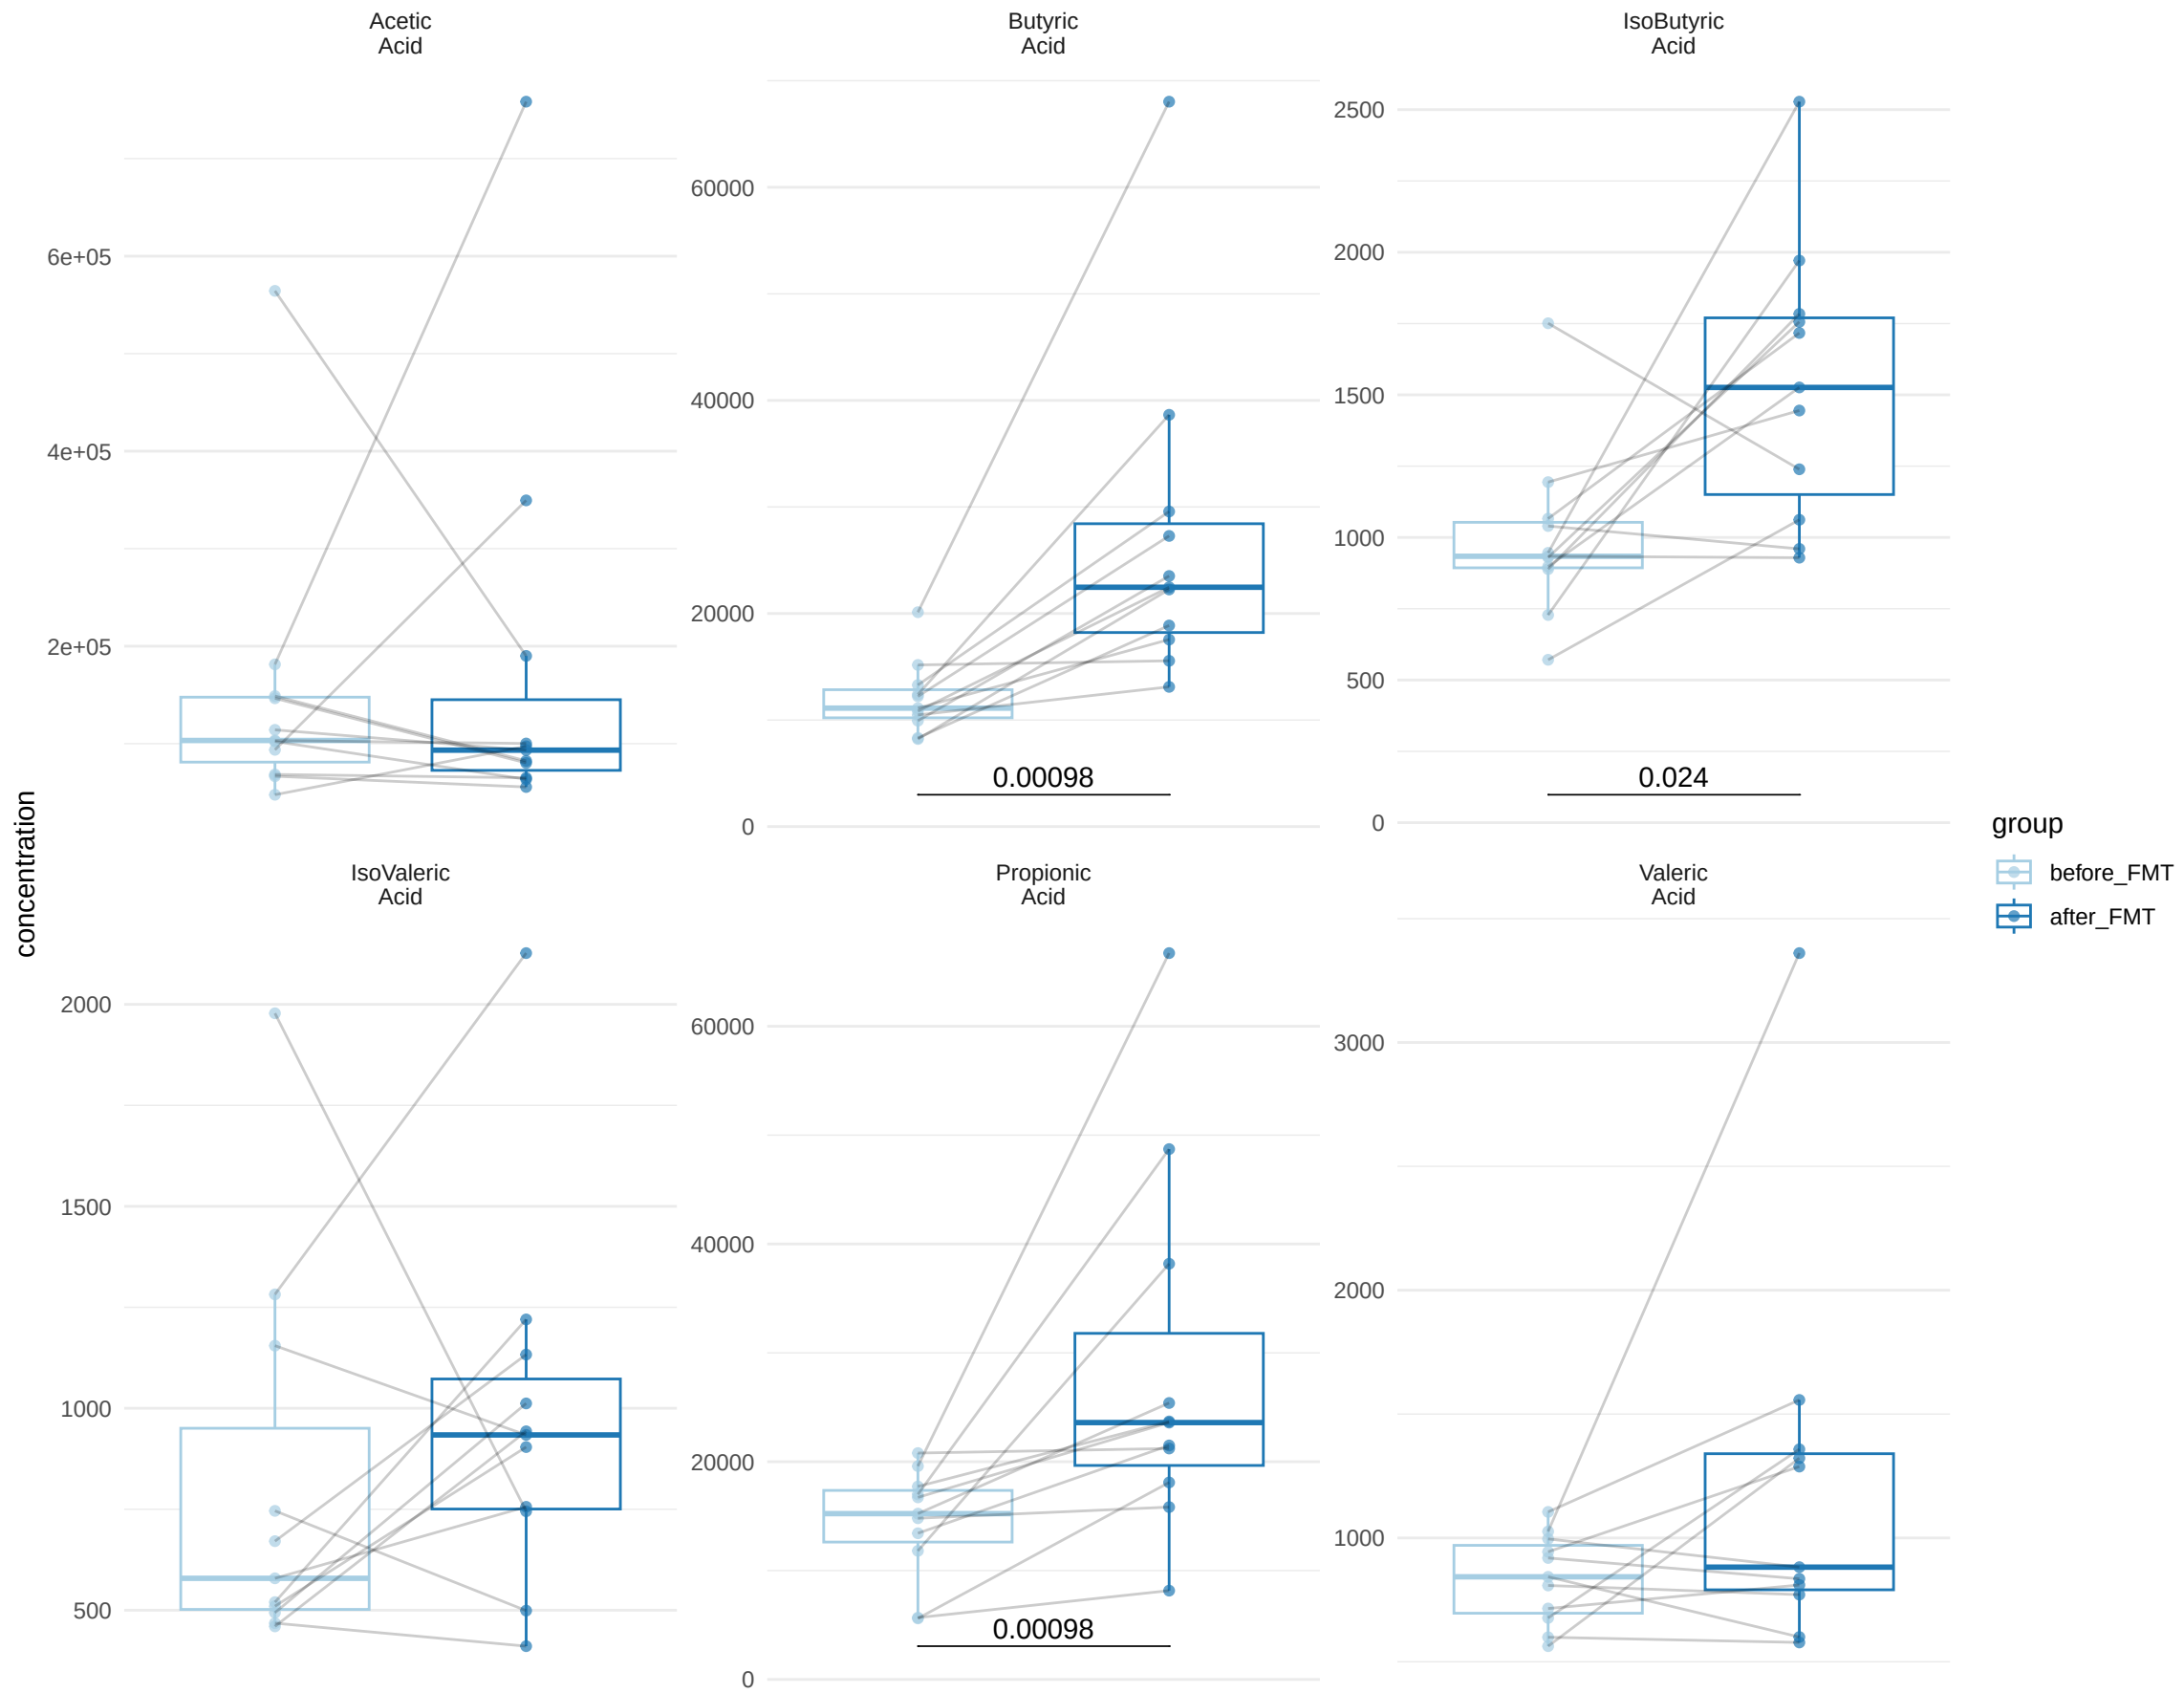

plasma metabolites – paired before and after FMT

TRP_derivatives

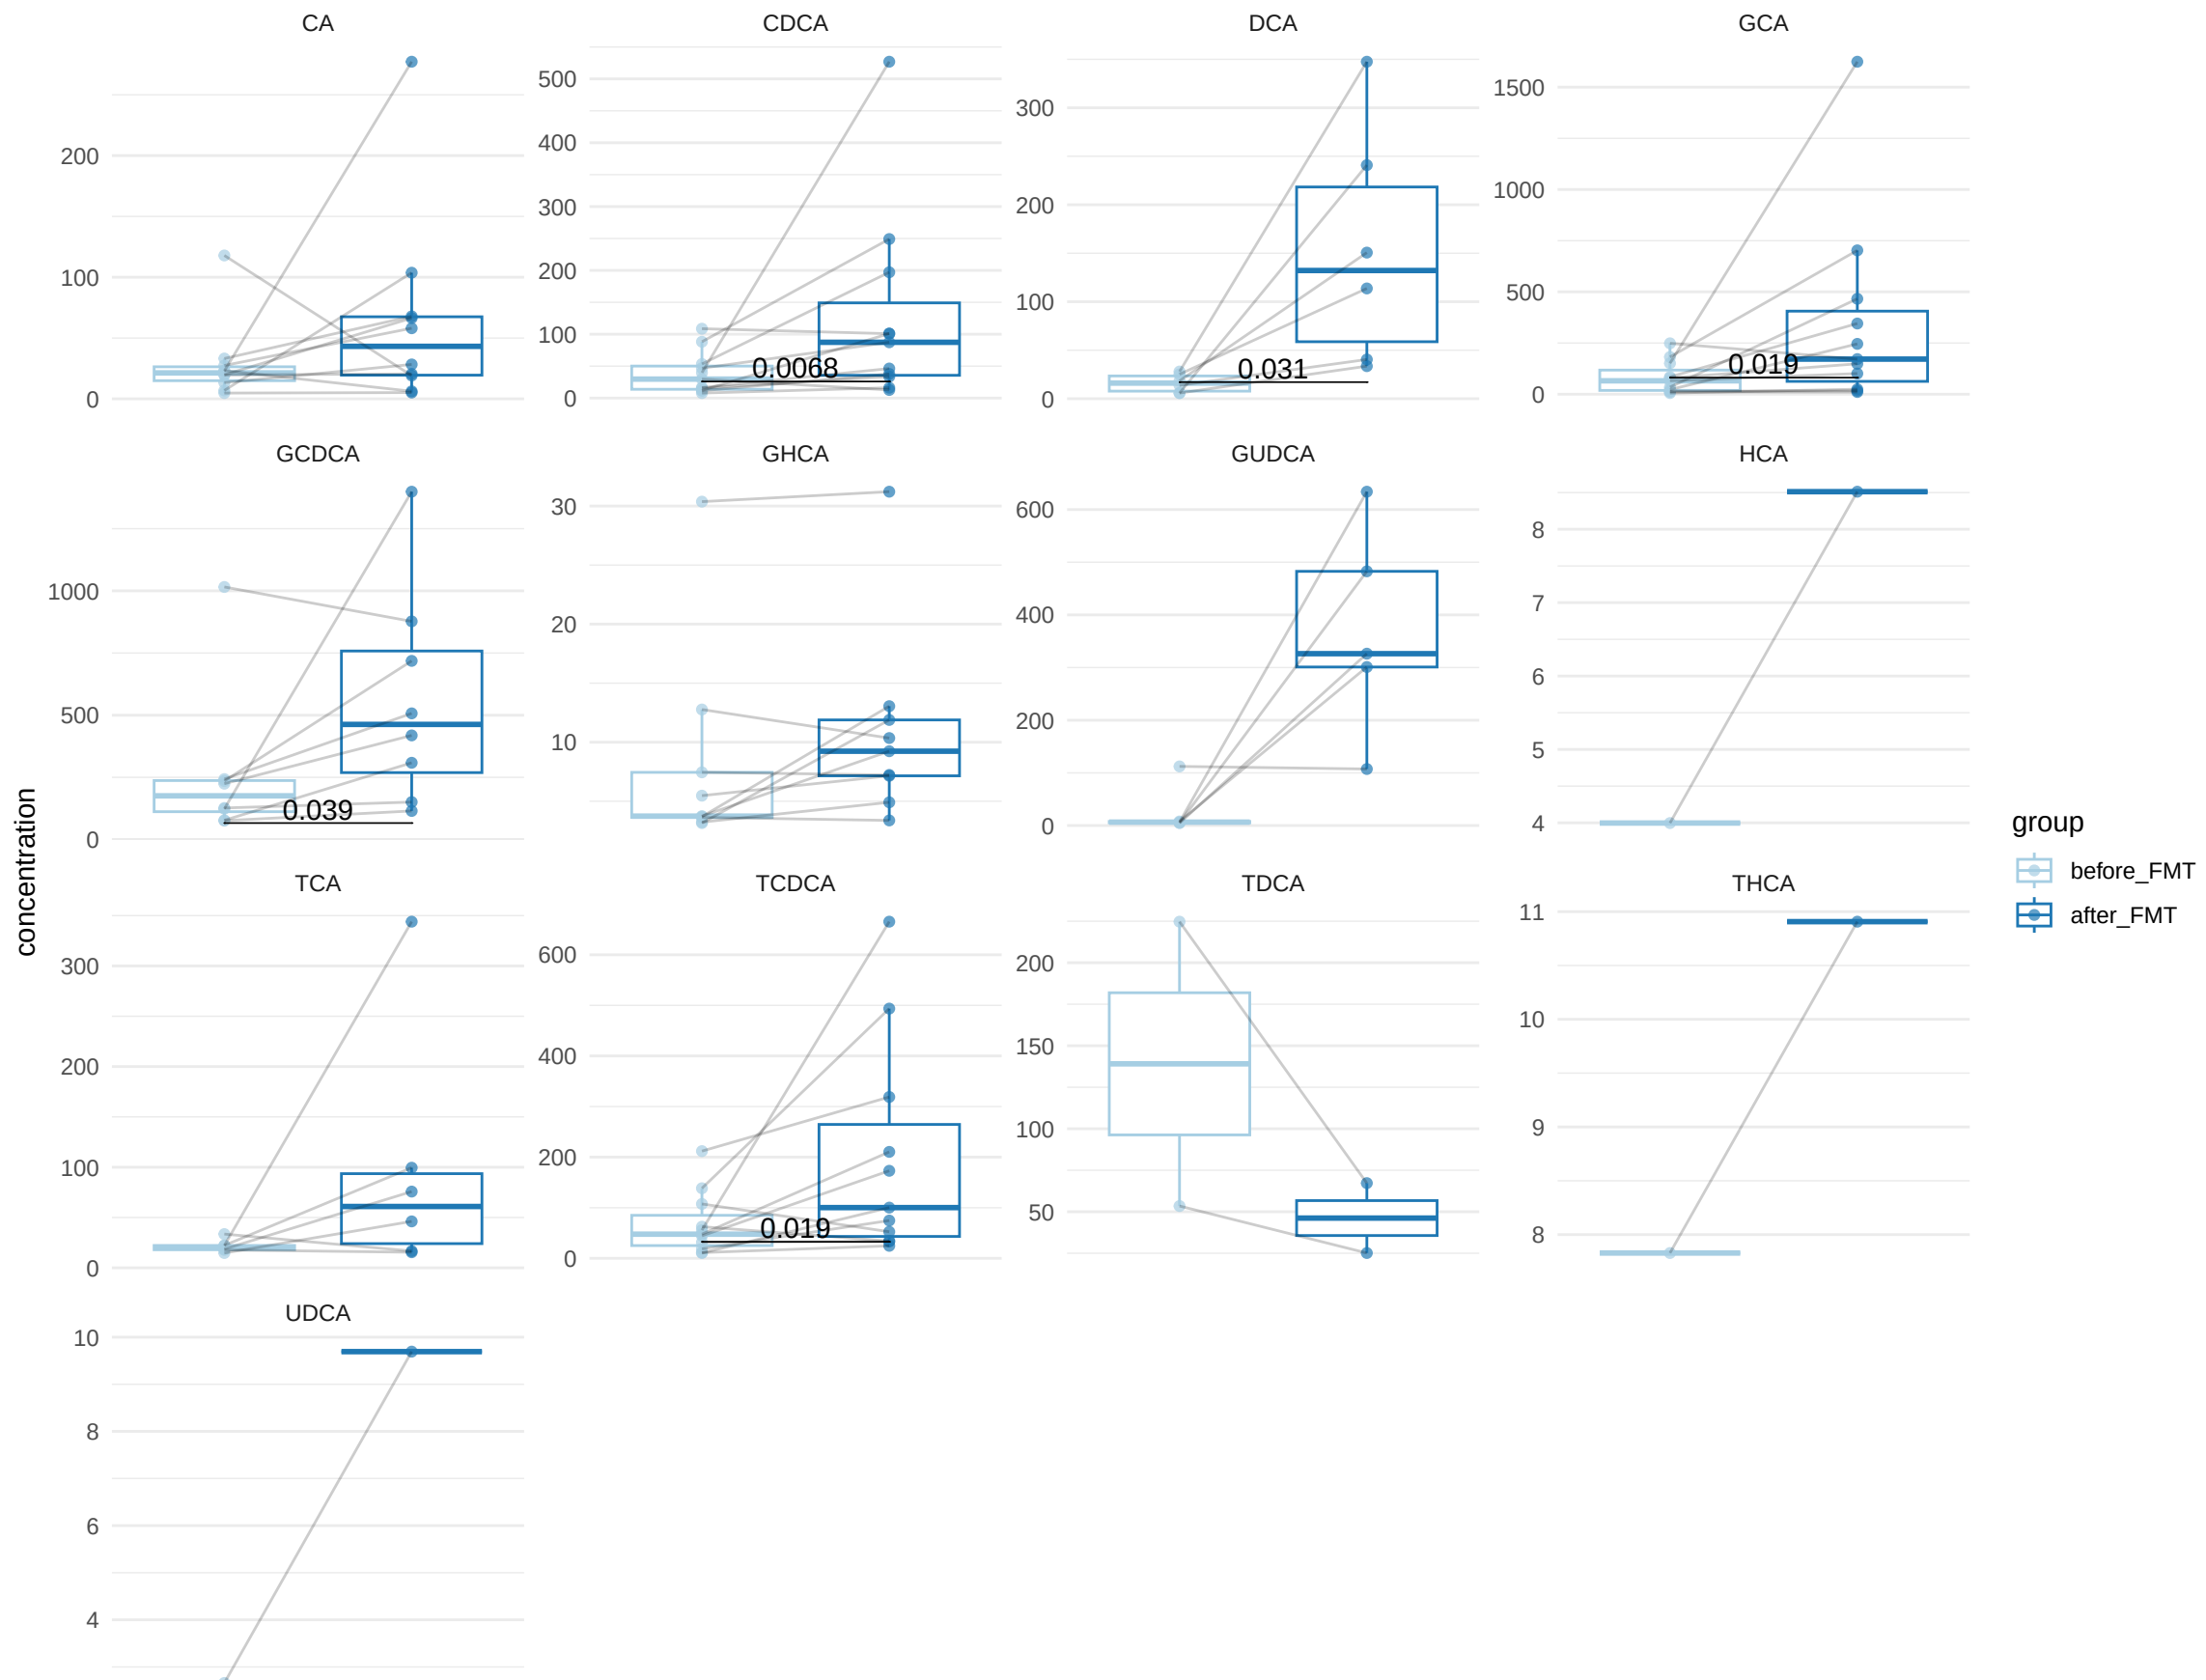

plasma metabolites – paired before and after FMT

SCFA_derivatives

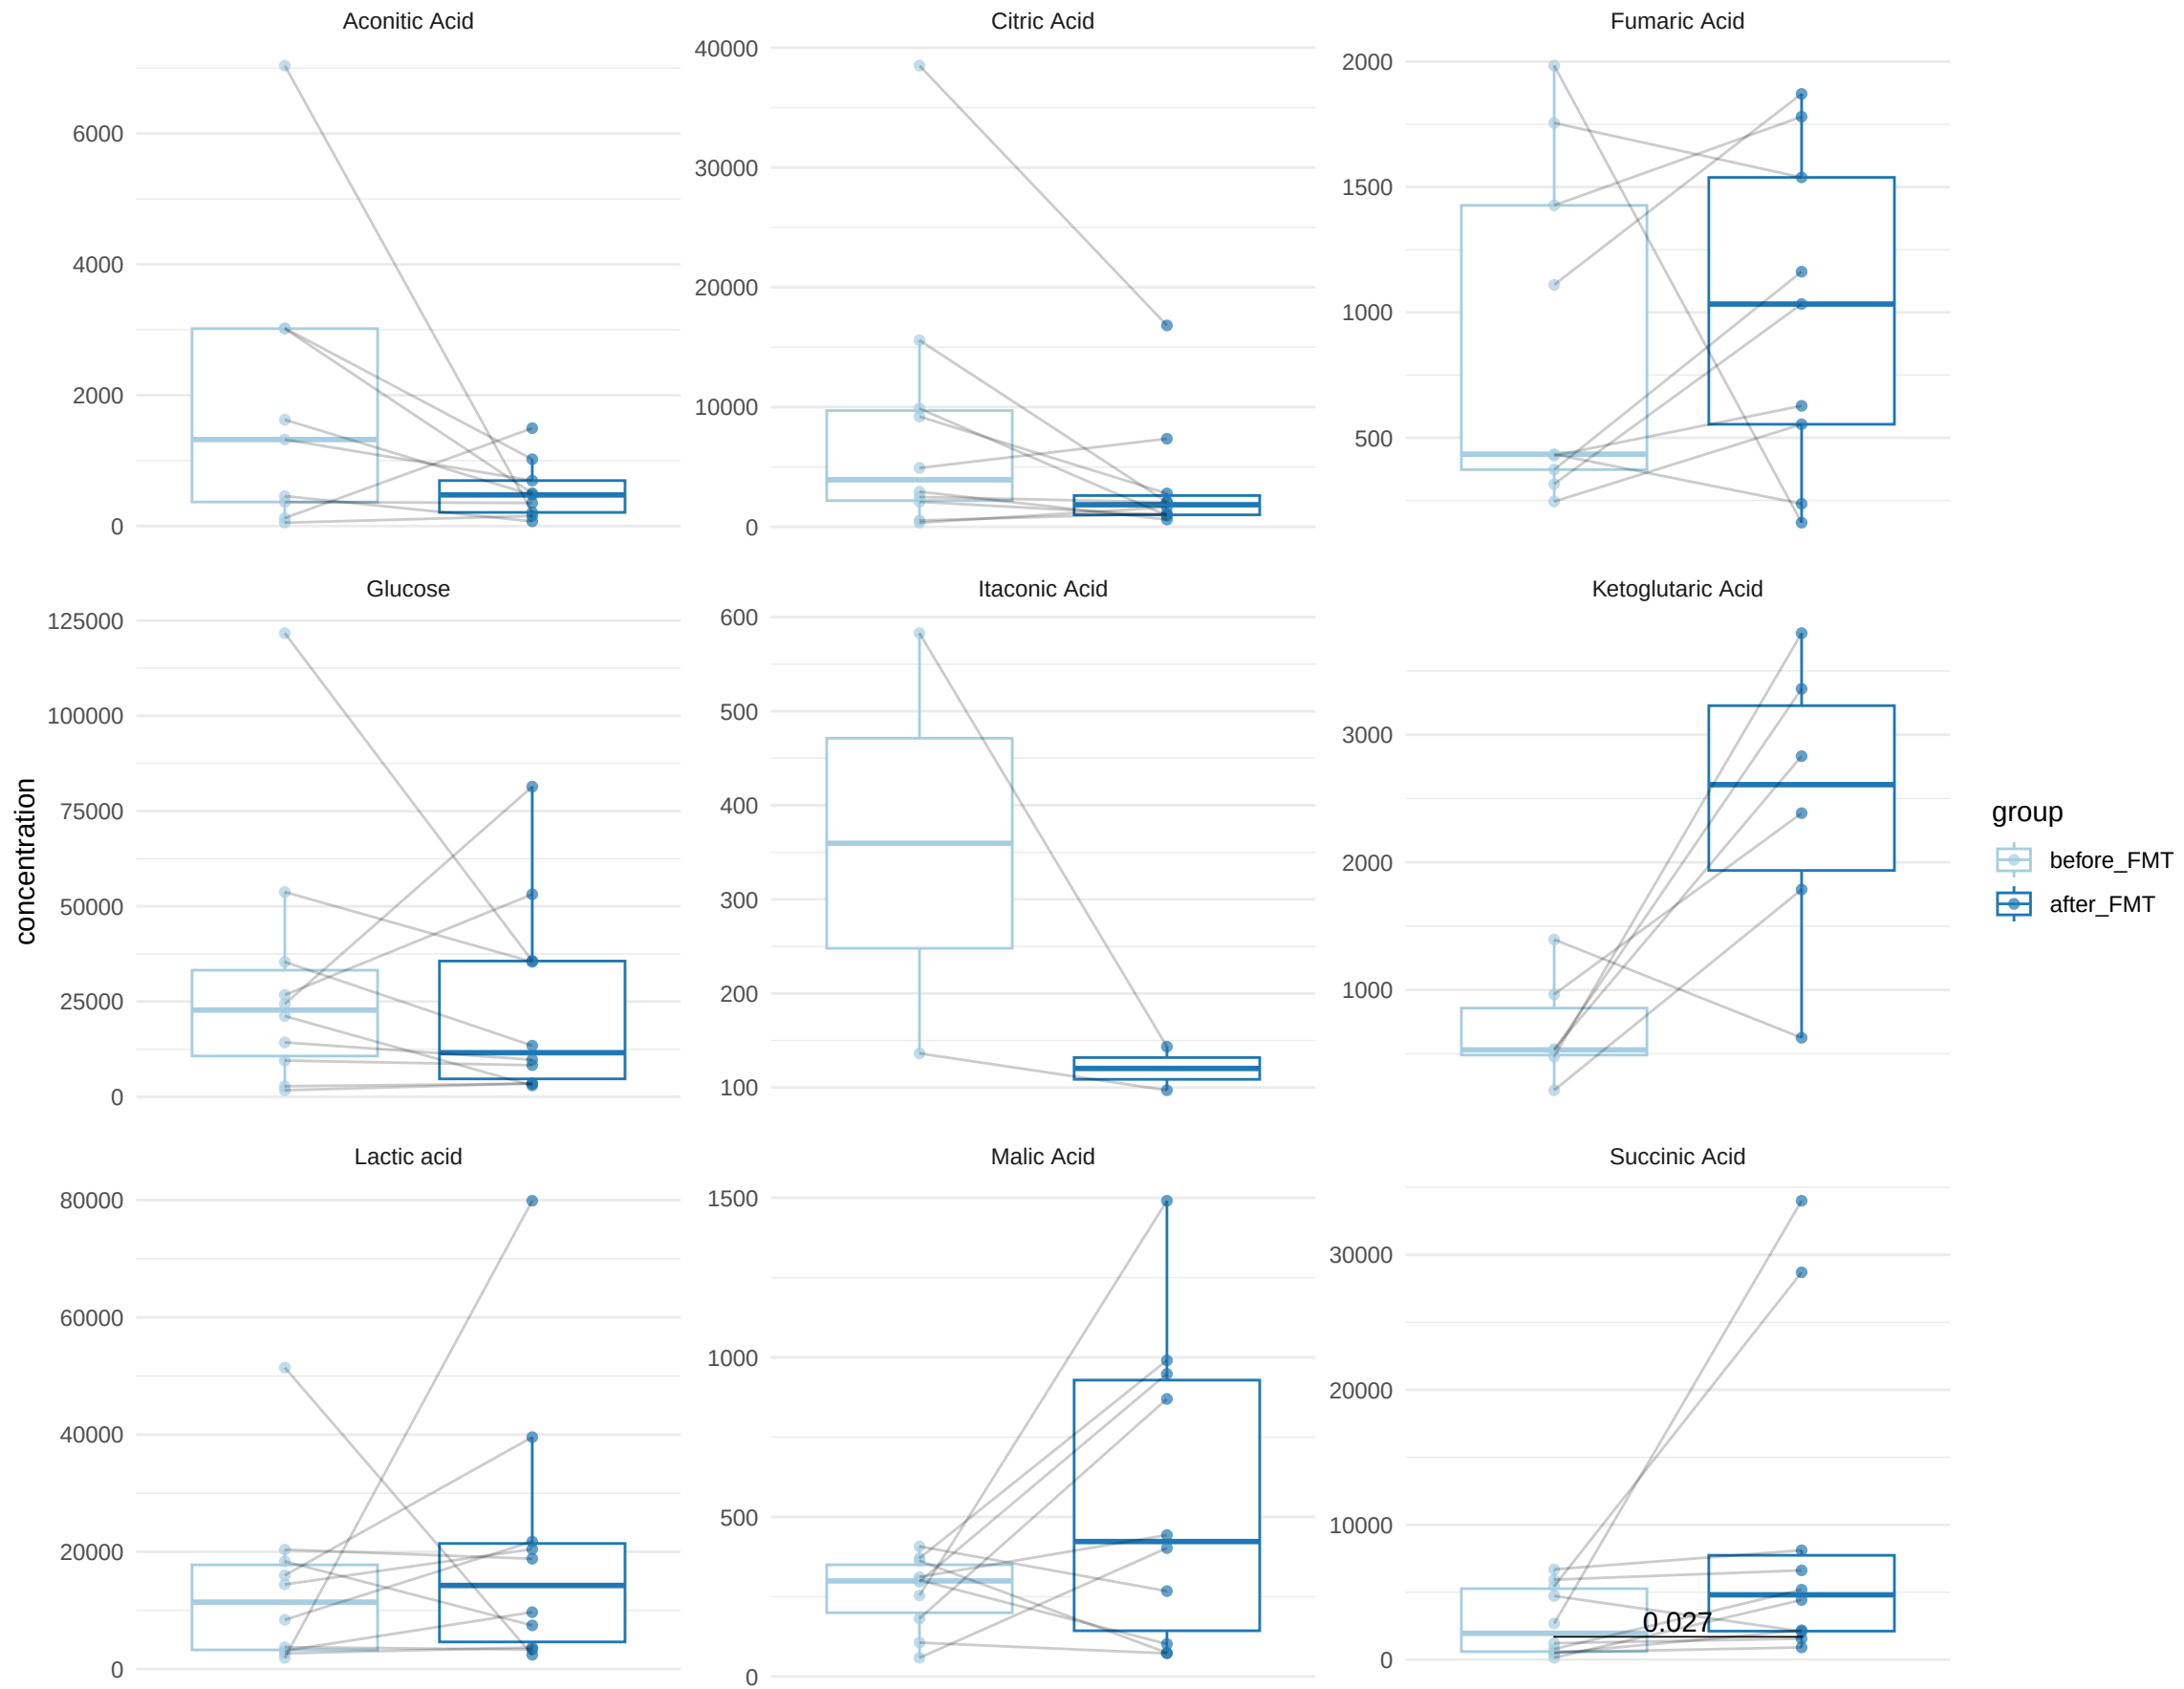

plasma metabolites – paired before and after FMT

biliary_acids

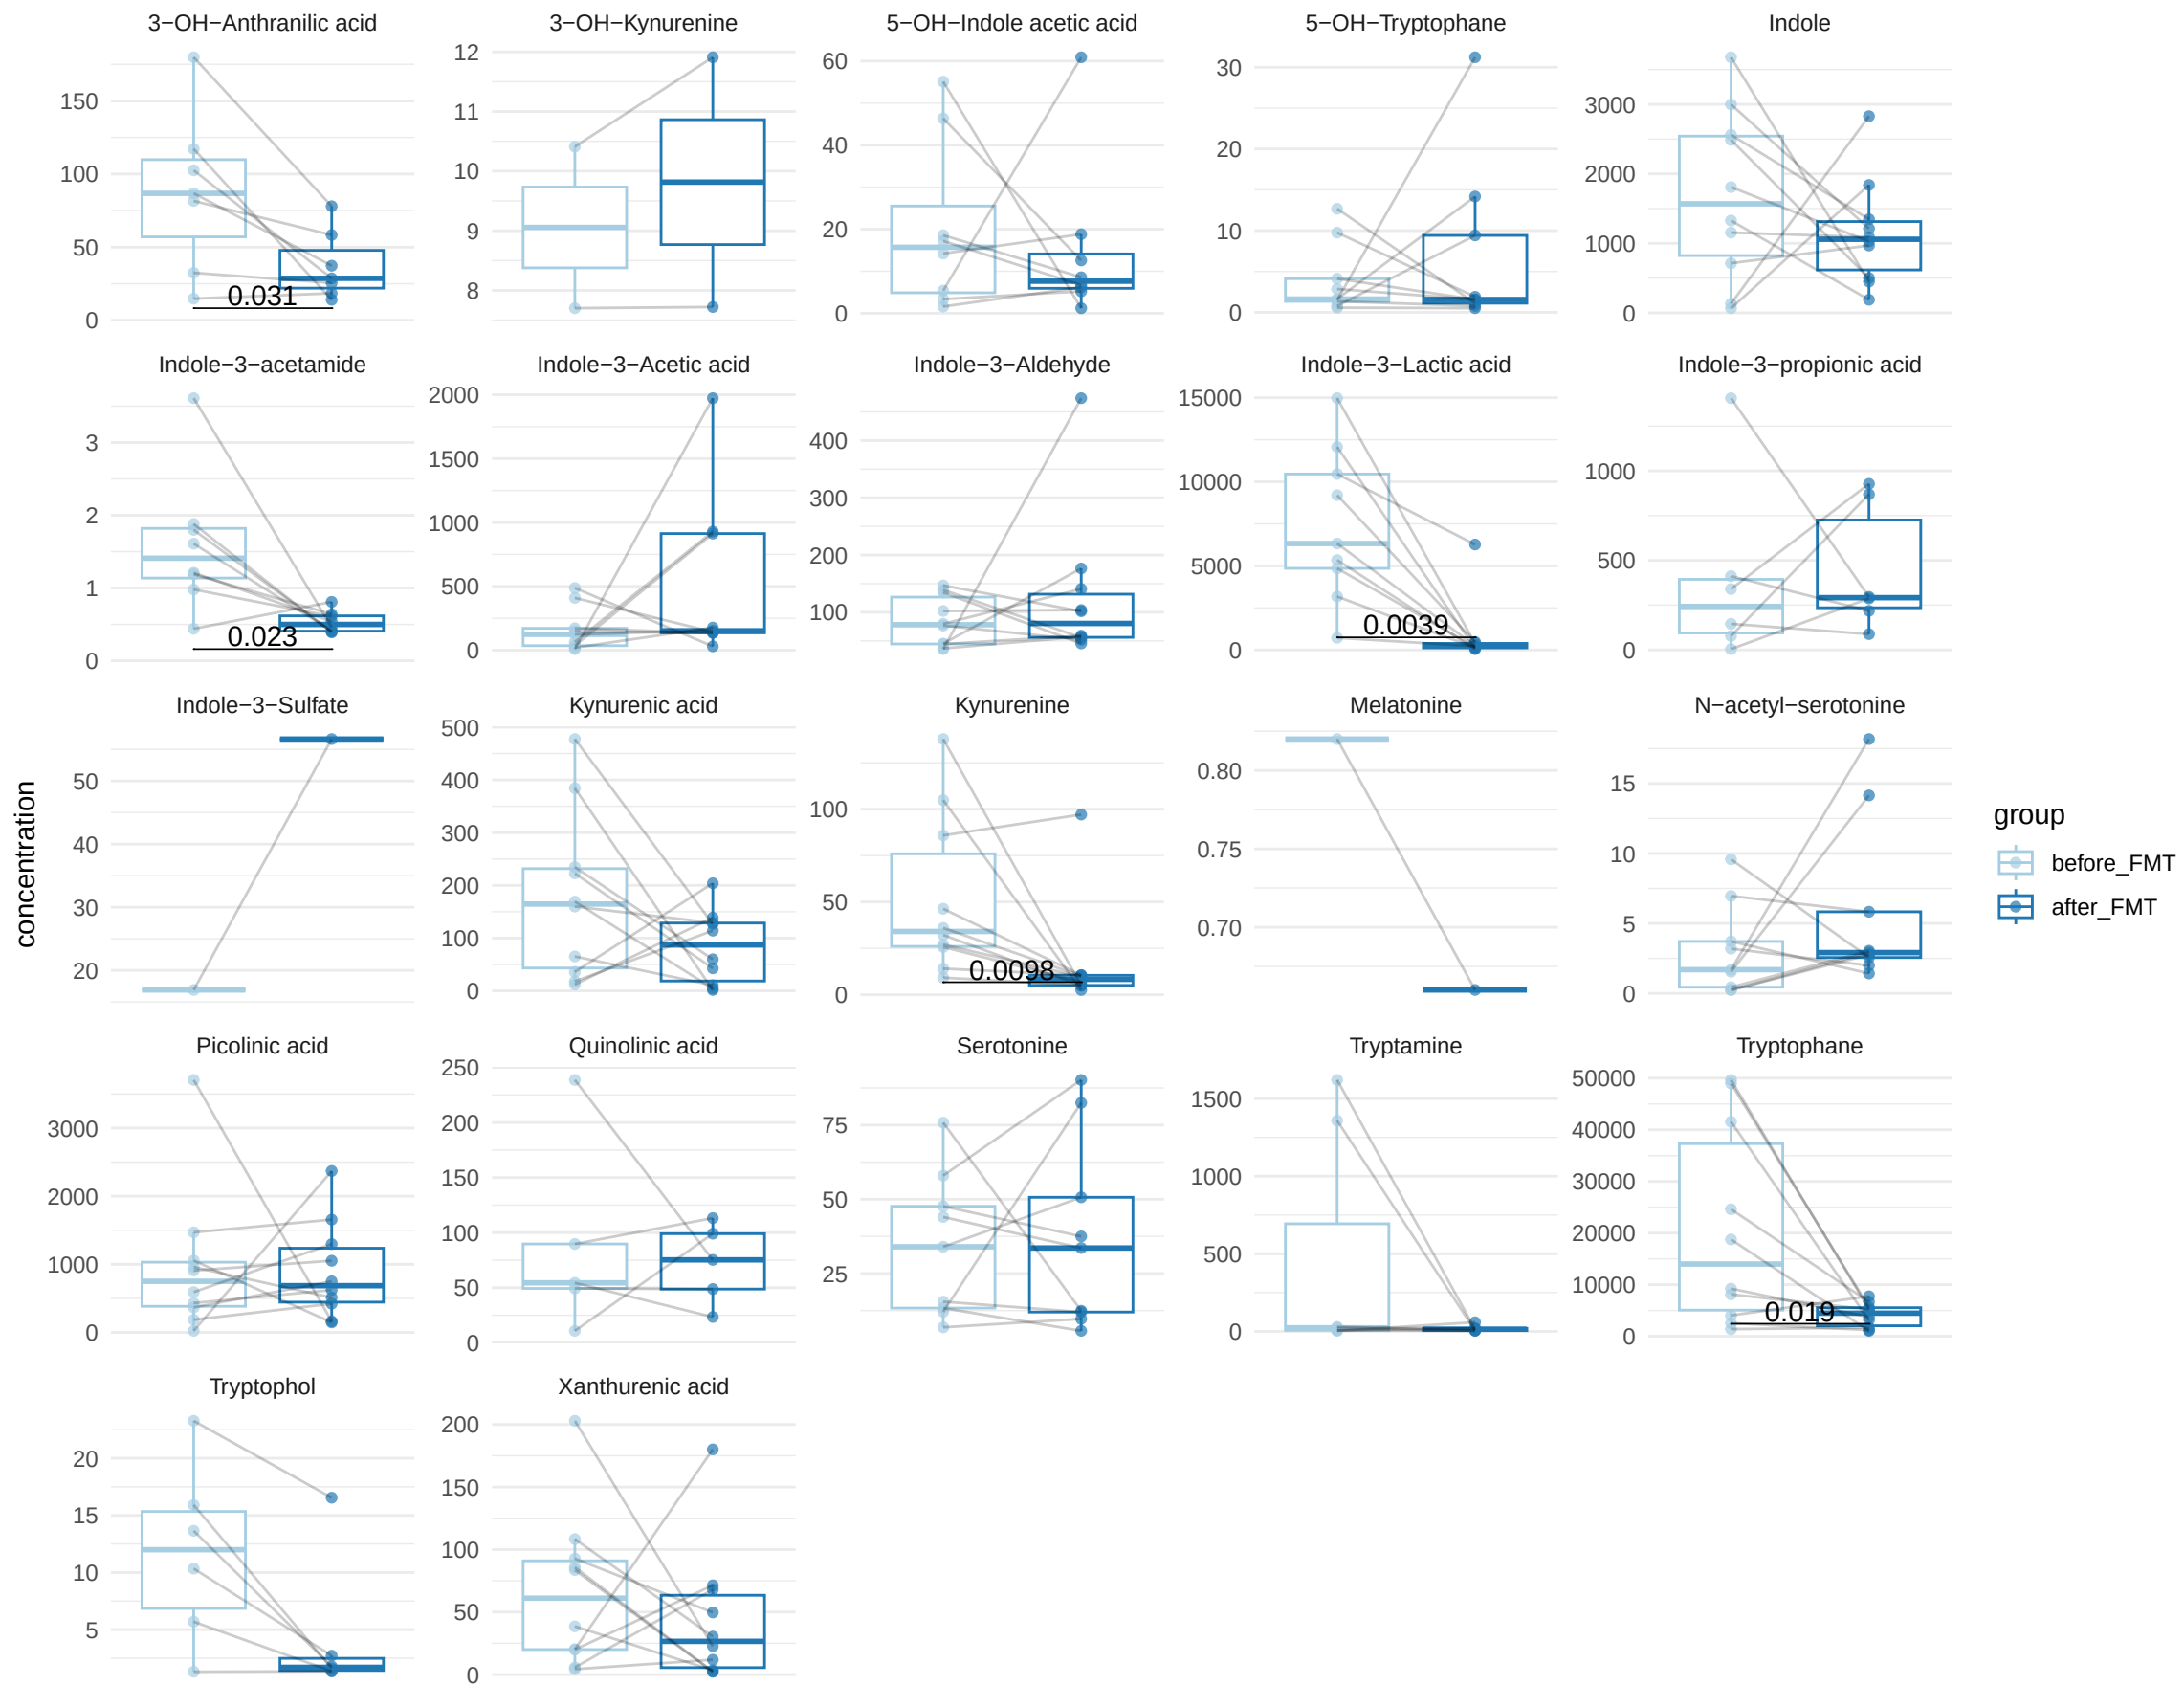

feces metabolites – paired before and after FMT

Krebs_derivatives

feces metabolites – paired before and after FMT

TRP_derivatives

feces metabolites – paired before and after FMT
